Notes:
(-) = None reported. Center may not be in operation at this time, or may have combined operations reported under another transplant center code.
Center labels reflect the transplant program at which the transplant was originally performed, and are not intended to reflect transplant teams or institution ownership. Centers may have transferred ownership or merged, and transplant teams and surgeons may have moved, since the time of transplant. The OPTN and SRTR do not keep track of these changes -- please contact the center for more information.
