Other	9.4%	8.6%	11.7%	13.1%	14.4%	12.4%	9.5%	19.4%	14.4%	16.1%

Source: OPTN/SRTR Data as of May 1, 2006.
Notes:
(-) = None in category.
Squamous and basal cell skin cancer, as well as unknown and missing, are not counted as history of cancer.
(1) Genito-Urinary: kidney, bladder, uterine cervix, uterine body, ovarian, vulva, testicular, prostate.
(2) Gastro-Intestinal: tongue, throat, esophagus, stomach, small intestine, colo-rectal, liver and biliary tract, pancreas.
